

A-mazing success at farm

Jane Sadler attempts to find her way through the Kinver Farm Shop maze

Attraction proves big hit

With the summer sunshine finally breaking through, Kinver's popular Maize Maze is once again proving a hit.

Farmer Ian Sadler and his family grow the maze every year next to their Kinver Farm Shop in Sandy Lane, close to Kinver Edge.

And despite this summer's washout the family have gone ahead with the fun attraction, which this year has a Canadian theme.

Mr Sadler said: "It has grown to about five-feet high and covers about five acres this year, which is the biggest we have had it yet.

Report by Ben Lammas

"We have gone for a Canadian theme and there are all sorts of Canadian characters hidden away in the maze - lumberjacks, mounties and wolves." The maize maze is open from 10am to 6pm Tuesday to Sunday.

It costs £4.50 for adults and £3.50 for children with a discount of OAPs and students.

Mr Sadler added: "It is great exercise and people can bring along their dogs as well. It is just a great summer activity."
